RE: Shelter Haven Resort Hotel – Temporary Fencing / Pedestrian Sidewalk

To Whom It May Concern:

As discussed, we wish to extend the current temporary fencing along Third Ave. to the first sidewalk expansion just along Third Ave. This will still allow for pedestrian traffic, but will provide a safe distance and protection from ongoing work on the front elevation of the building.

Additionally, and on or about September 15th, we would like to close the Third Ave. sidewalk from Polly's to 96th Street. We will have signage made and install at 96th St. corner and on the Polly's side. We will have a cross walk striped on an angle to the corner of 96th and third depressed walkway for pedestrians to cross over. Once this sidewalk is closed, the Atlantic City Electric work can begin with the underground electric relocations. We would request that this sidewalk stay closed through the end of the project.

A brief sketch is attached for this work. Please let me know of any questions.

Truly Yours,
Island Construction Company, LLC
