Mayor Walters reported that Bank of America has accepted the County's Bid for the property located at 96th and Second Avenue as the future home for the Borough's library. Mayor Waters stated that this is a great development and I think one of the most positive things during this long search for the library location. Mayor Walters stated that she believes this location will be a great addition to the business district and will include the Borough's museum. Mayor Walters thanked Council, the County, and the County Library Commission for all their assistance and support in making this possible. Mayor Walters also thanked the Library Relocation Committee for all their hard work. Mayor Walters stated that the Borough's Program and Content Committee and Design Committee will still have significant input and she looks forward to reviewing their report. Mayor Walters reported that the County anticipates taking possession of the property before the end of 2012. Mayor Walters stated that this is great news for Stone Harbor.

REPORTS OF COMMITTEES AND OFFICERS

PUBLIC SAFETY – Councilmember Carusi reported that the Public Safety Committee met on October 11th and discussed the following: the Courts and that Laura Neeld has officially received her Certification from the State and that she will be on maternity leave at least until the beginning of the New Year; the Fire Department was inspected by OSHA and no violations were issued; the Fire Department celebrated its 100th Anniversary and Housing on Saturday, October 13th which will very successful and well attended. Councilmember Carusi reported that the Borough’s OEM Plan has been accepted by the State. Chief Roger Stanford provided the following report for the Fire Prevention Bureau: 1014 inspections, 23 life hazard, 110 smoke detectors, 24 permits, 126 re-inspections and 11 other (Fire Drill, Complaints, etc.). Chief Stanford provided the following report for the Fire Company: 15 fire calls, 3 drills, 1 meeting, 1 work detail/special detail, 356.1 manhours, 2 mutual aid, and 21 EMS calls. Chief Stanford provided his semi-annual Stipend report as follows: 51 firefighters, 20 EMTs, 19 firefighters living in Stone Harbor, 22 firefighters on the island, average number of firefighters per call is 20; and average response time is 5 minutes. Chief Paul Reynolds provided the monthly statistical report for the Police Department as follows: 1,157 incidents logged, 10,819 miles patrolled, 48 moving violations, 32 parking violations, 1 motor vehicle assisted, 1 accident, 4 suspicious vehicles, 204 motor vehicle stops, 5 Borough ordinance violations, 8 adult arrests, 5 DWIs, 5 juvenile arrests, 6 alarms, 15 fire calls, 24 medical calls, 26 open doors/windows, 1 domestic violence complaint, 6 noise complaints, and 13 animal control complaints. Chief Reynolds provided an update on two cases, one involving a burglary and theft and one a motor vehicle stop where illegal drugs were recovered. Chief Reynolds reported that on September 29, 2012 Det. Hartzell oversaw a prescription medication take back initiative in cooperation with the US Drug Enforcement Agency and the Cape May County Prosecutor’s Office which allowed residents to drop off unused/unwanted prescriptions for destruction by the Police. Chief Reynolds reported that this program was the most successful to date. Chief Reynolds also reported that there have been several home invasions recently and asked the public to please make sure they lock their doors and windows.

NATURAL RESOURCES - Councilmember Rich announced that the Bird Sanctuary has received the Pennsylvania Horticultural Society’s Greening Award and the Sanctuary was chosen out of 89 sites that were nominated. Councilmember Rich stated that the Society is hosting 3 Award Receptions and the Committee member(s) will attending at least one of the Receptions, one of which is being hosted by Mrs. Corbett at the Governor’s Residence in Harrisburg. Councilmember Rich reported that the maintenance work at the Sanctuary will be done by Department of Corrections with a tentative start date of October 19, 2012 and this effort will be coordinated with Public Works and Diane Daly from Duffield Associates. Councilmember Rich stated that she just received an e-mail from Diane Daly who reported on the many types of birds she found on her recent visit to the Bird Sanctuary. Councilmember Rich reported that a sign entitled “Whispering Winds” has been designed as a peaceful retreat for the Sanctuary in memory of Brian Levinson and this project was funded by donations received in Mr. Levenson’s memory. Councilmember Rich reported that the Committee is hoping to have full moon tours possibly on October 28 and November 28 and more information will be available shortly. Councilmember Rich reported that the Natural Resources Committee continues to discuss and work on Site 103, dredging, and the beach fill project (which Jill Gougher will report on). Councilmember Rich reported that Genevieve Clifton, NJDOT and Scott Douglas, NJDOT, Matthew Dalon, Ocean Coastal Consultants (OCC), Mayor Walters, Jill Gougher, Marc DeBlasio, Karen Lane and herself met to discuss Site 103 and reviewed the next steps for this project which include OCC sampling daily and providing their results in mid-December, as well as how and where the spoils will go.

BEACH & RECREATION – Councilmember Davies-Dunhour reported that the Recreation Advisory Committee met on October 1st and the Beach, Rec and Tourism Committee met on October 12th. Councilmember Davies-Dunhour reported that the Committee is reviewing a revised edition of the Lifeguard Manul which will ultimately come before full Council for review and approval. Councilmember Davies-Dunhour reported that the Administrator will be receiving a final punch list for the Recreation Support Building and will be doing a walk-thru with personnel from Public Works. Councilmember Davies-Dunhour reported that all the doors have been installed at the Recreation Support Building and items such as shelving, bleachers and safety padding still need to be purchased. Councilmember Davis-Dunhour reported that the regular after school programs and homework help continues to be successful and this Friday there is an open rec for grades 5 through 8 from 5:30 p.m. to 8:30 p.m. Councilmember Davies-Dunhour reported that fitness classes for seniors include Zumba Gold on Friday mornings and starting on Tuesday, October 30 at 11:00 a.m. there will be a Sit and Be

Fit for Seniors program which is sponsored by Island Aerobics and there is no charge to attend any of these classes. Councilmembers Davies-Dunhour reported that the yoga program sponsored by the Cape May County Library System started on Monday night and will continue on Mondays at 5:30 p.m. and Pilates classes will start on Thursdays after the first of the new year. Councilmember Davies-Dunhour reported that Mahjong continues on Tuesdays, Wednesdays and Fridays in the early afternoon and advised the public to check the Borough's website for any changes to the Rec Schedule. Councilmember Davies-Dunhour reported that the 81st Street playground equipment has been delivered and we are still waiting to receive benches, tables and trash receptacles. Councilmember Davies-Dunhour reported that the next event the Borough will host is the Harvest Festival on Saturday, October 27, 2012 and to check the Borough's website for a full list of activities planned for that day. Councilmember Davies-Dunhour reported that the Tourism Director is working on specifics for Thanksgiving Day Weekend with the Chamber of Commerce. Councilmember Davies-Dunhour reported that Councilmembers Rich and Kramar, the Borough Administrator, and Liz Hargett attended a full-day seminar provided by Roger Brooks who specializes in hospitality, tourism, destination development and branding which was held at the Wildwood Convention Center.

UTILITIES - Councilmember Lane reported that unfortunately we used 1.459 million gallons more of water during the month of September, 2012 than during September, 2011 and indicated that she was disappointed because the Borough was so conservative during the hot months of the summer. Councilmember Lane reported that she continues to see people watering lawns on the wrong day and wrong time and that water conservation is a year round effort. Councilmember Lane reported that the Borough is moving forward with the installation of an electric car charger. Councilmember Lane reported that she has arranged for a representative from the DEP to attend the next Utility Committee Meeting and hopefully also attend the Go Green Community meeting which has been rescheduled to December 3, 2012. Councilmember Lane reported that she is working with the School to share water conservation information with the children so that they can get involved in this important effort as well. Councilmember Lane reported that she and the Borough Administrator will be meeting with the School Administrator within the next couple of weeks.

Councilmember Lane reported that thanks to Scott Wahl's efforts, the Go Green video is now running on Channel 2. Councilmember Lane reported that there was much discussion and planning for the open meeting with landscapers, builders, realtors, plumbers, and representatives of the various town organizations and the Committee would like to have a brain storming session and get input from everyone so that we can all work on water conservation without putting any unnecessary strains on businesses and this meeting is scheduled for December 3, 2012 and will probably be held at the new Rec Support Building in order to accommodate the number of people expected to attend. Councilmember Lane reported that the Committee is also suggesting the possibility of an ordinance that all new construction must utilize the Smart Control System if they are installing a sprinkler system and may include any rehab work over 50%. Councilmember Lane reported that the Committee wants to keep the Planning Board apprised of the Committee's efforts so they can consider water conservation in all of their planning endeavors.

Councilmember Lane reported that the Library Program and Content Committee has not met since her last report in October; however, the Committee members are reviewing the Strategic Planning book recommended by Dr. Raffel. Councilmember Lane reported that she has prepared her version of a vision, mission statement, goals and objections and programs and content lists and distributed it to Councilmembers Rich and Davies-Dunhour for their comments. Councilmember Lane reported that the Committee members will be touring at least two, possibly three, of Ocean County's libraries on October 29, 2012 and after that the Committee members will meet again and then the Committee will ask volunteers to help with these two Committees. Councilmember Lane stated that people are completing the suggestion forms on their thoughts and ideas, etc. for the Library.

PUBLIC WORKS – Councilmember Kramar reported that the Public Works Committee met on October 10, 2012 and discussed memorial benches, school grounds, cape express, budgets, holiday decorations and warning tickets for oversized trash cans. Councilmember Kramar stated that trash cans cannot be larger than 32 gallons nor weigh more than 75 pounds. Councilmember Kramar reported that beach, marina, and automotive maintenance is performed as needed. Councilmember Kramar reported that Special Events manhours are as follows: Savior September 272 hours, Breast Cancer Run 10 hours, and Seaville Beach Run 2 hours. Councilmember Kramar reported that summer decorations were removed and replaced with fall decorations which required 64.5 hours and the banner changing required

33.5 hours. Councilmember Kramar reported building and ground maintenance is performed accordingly, parking meters have been removed, kiosks have been turned off, and street maintenance is performed as necessary. Councilmember Kramar reported that the next Bulk Trash day is Monday, October 30, 2012. Councilmember Kramar thanked Public Works for keeping our town very clean and neat. Councilmember Kramar congratulated the Bird Sanctuary on their Award and stated that the Garden Club won that award five years ago for the Garden of Remembrance.

Councilmember Kramar reported that 911 Artifact Meeting was held on Friday, October 12, 2012 and discussed the survey, base mapping, tweaked the design, and creating a sponsorship form which should be available shortly, budgets, and the possibility of finding a volunteer 501C organization that would like to work with this Committee to raise funds. Councilmember Kramar stated that there are several 501C organizations in the community including, the Fire Co., the Rescue Squad, the Museum and the American Legion and hopefully one of these groups will help this Committee with their fund raising efforts. Councilmember Kramar presented Jill Gougher with its first donation in the amount of \$5,000.00. Councilmember Kramar suggested that the people consider making a donation to the 911 Fund in lieu of Christmas gifts, birthdays, etc.

ADMINISTRATIVE & FINANCE – Councilmember Mastrangelo reported the Administrative and Finance Committee met on October 16th and reviewed year-to-date budget status which reflects that 77.1% of the budget has been expended compared to 78.9 in 2011, received 98.4% of projected revenue compared to 93.7% in 2011. Councilmember Mastrangelo reported that the A & F Committee reviewed capital requests in preparation for tonight's discussion and are requesting that each Committee review their requests and ask the following questions: Can we live without this piece of equipment or improvement this year? What will happen if we delay the purchase of this replacement vehicle until 2014? Will operations come to a standstill? Will operations suffer significantly? Will our employees or residents be put into an unsafe condition? Will the quality of our services suffer dramatically? to determine if any item(s) on their capital budget could be eliminated. Councilmember Mastrangelo reported that all Departments should have turned in their completed Other Expense budgets and the A& F Committee will be meeting to review the Operating and Expense budgets and have a public discussion at the November 6, 2012 Council Meeting.

Jill Gougher reported that the beach replenishment pre-construction meeting is scheduled for Tuesday, October 23, 2012 at 10:00 a.m. Mrs. Gougher reported that she submitted the Borough's Community Rating System Annual Recertification for the Flood Management Plan and has been advised from our CRS Specialist that our recertification is complete and no further action is required. Mrs. Gougher explained that the recertification will provide residents and businesses with discounted prices for flood insurance. Mrs. Gougher stated that she will continue to seek ways to increase our rating score which will lower our insurance premiums. Mrs. Gougher reported that she will be attending a training program on October 30, 2012 designed to provide information on the upcoming changes to the NJ/NY Coastal Flood Insurance Study and Flood Insurance Maps at the Jacques Cousteau Research Center in Tuckerton, New Jersey.

ENGINEER'S REPORT - Marc DeBlasio provided the Engineer's report as follows:

Beach Outfall Elimination Project – Phase 2

- Contractor has begun First Avenue improvements.
- Contractor is currently working on recreation center storm drain and Golden Gate Drive.

NJDEP Water Allocation Permit

- Our preliminary projected water demand has been transmitted to the Borough for review, comment and approval.
- We have a meeting with NJDEP on July 20, 2012 to review the application.
- At the NJDEP meeting on July 20, it was agreed that a pump test would not be required in order for the Borough to request additional allocation. A hydrogeologic report will still be required, however, pump test data from the Borough of Avalon can be used to characterize aquifer properties.

- The NJDEP issued a formal letter indicating that the pump test requirement is waived and has transmitted the Borough of Avalon data.
- We have transmitted a proposal to the Borough on September 4, 2012 requesting authorization to proceed with the permit submission.

USDA Rural Business Enterprise Grant (RBEG) Application

- The Borough was denied grant funding for planning and streetscape improvements.
- However, the application can be re-submitted to USDA for FY 2013.

95th Street Water Tank Improvements and Repainting

- The bid documents are approximately 50% complete and construction is targeted for Spring, 2013.

FY 2013 NJDOT State Aid Roadway Grant Application

- The Borough has selected the reconstruction of First Avenue – Phase 2 as the project for submission.
- The grant application was filed on October 2, 2012.
